About Our School

In 109, Principal Jing Shilong took over, integrating the school's existing vision of "autonomy, self-discipline, vitality, and innovation" and setting the development goal of "diversified, polite, and dynamic government". And formulated five major development priorities:

1. Basic academic ability, taking root and flying high
2. Environmental education, recycling and sustainability
3. High-tech and innovative thinking
4. Art education and cross-domain integration
5. Hardware construction and transformation of the official center

Address: No.29, Sanmin Rd, Guantian Dist., Tainan City 720, Taiwan

School Activities

Food and Agriculture Education

There are three fields in the school. Water chestnuts are planted in the first semester and rice is planted in the second semester.

In November, students go to the fields to harvest water chestnuts. In March, students go to the fields to plant rice. In June, students go to the fields to harvest rice.

Local Culture

The geography teacher leads the ninth grade students to visit Guantian and made their own Guantian map

School Activities

Kiln Culture

There is a kiln in the school. Under the guidance of the teacher, students can make and bake their own pizza.

Student Clubs

Maker Club - Hand Lunch Glider

Students make their own hand-launch gliders out of wood chips and participate in hand-launch glider competitions every year, winning many awards.

Science Club

Members explore the diversity and mysteries of water chestnuts, participate in science fairs for two consecutive years, win awards, and attend the National Science Fair.

Taiwan Lion Dance Competition

GJHS has a dedicated lion dance team that achieves excellent results every year.

Kabaddi School Team

GJHS takes pride in its Kabaddi team, which shines with excellent results annually.
